A close-up photograph of a wooden barrel, showing the texture of the wood and the metal hoops. A large, solid green circular graphic is overlaid on the left side of the image, partially obscuring the barrel. The barrel is made of dark wood with visible grain and some lighter-colored patches, possibly from age or moisture. The metal hoops are visible, and the overall lighting is warm and slightly dim, focusing on the texture of the wood.

DULCES Y *Botanas*

A close-up photograph of several smooth, brown, oval-shaped objects, likely chocolate-covered almonds or similar confectionery. The objects are arranged in a cluster, with some showing slight variations in color and texture, suggesting a rich, possibly nutty flavor. The lighting is soft, highlighting the glossy surface of the chocolate coating.
